

Delaware Valley LEGAL EXPO 2023

"April showers bring May flowers." Forecasts could be looking even brighter this coming April as we await the long-anticipated return of the Delaware Valley Legal Expo on its new spring date, **Tuesday, April 18, 2023!**

The Delaware Valley Legal Expo is a joint production of the Montgomery Bar Association and the Association of Legal Administrators Independence Chapter. It's one of our region's largest, and one of our nation's longest-running active trade shows for legal professionals and law office suppliers. A busy event schedule and valuable input from our members, sponsors, and exhibitors had us move away from our usual fall date in 2022 and into the spring of 2023. Better yet, we'll return to our roots and the home of some of history's best-attended Expos: Presidential Caterers in nearby East Norriton.

So if growing a healthy sales pipeline, getting face-to-face with clients and law office prospects, or "making it rain" is a priority for you, then be sure to save the date, and be certain the Delaware Valley Legal Expo is in your plans for the spring of 2023.
